The Buena Vista Difference

- Private rooms
- Individualized treatment plans
- Licensed, Master's Level therapists
- Fresh, healthy, gourmet food
- Planning for long-term care
- Psychiatric and primary care
- Virtual Care

Our vision for Buena Vista is to create a specially designed foundation that serves as a place for healing, health, and wellness. We know every person's story is unique and requires specialized attention. We arm our clients with the tools and support they need for life-long recovery.
