Andrew Forrestel was born in Buffalo, New York, and graduated from Canisius College with a Bachelor of Science in chemistry. He completed his MD degree at University of Rochester School of Medicine and Dentistry. He recently completed his residency at the University of Arizona in Internal Medicine.

In his spare time, he enjoys the outdoors. He likes to go hiking, fishing, and boating. Dr. Forrestel also works as a volunteer on various projects for the local Knights of Columbus as well as the Catholic Medical Association.

Dr. Forrestel is looking forward to joining Desert Star Family Practice!
