Dr. Britt attended medical school at Ross University School of Medicine on the Caribbean Island of Dominica. After graduation, he returned to Tucson to complete his Internal Medicine Residency with Banner University Medical Center, South (BUMCS). He loved the education and experience he received from BUMCS.

Born in Nebraska, Dr. Britt has been in Tucson since 2002, when he completed his civil duty with the Marine Corps. He enjoys outdoor activities year round and loves Arizona for the short drives to experience nearly every environment.

Dr. Britt spends his spare time working outdoors during the cooler months. He believes it is good to take in some sunshine, with sunscreen, of course. He also weight trains and takes short runs. When he breaks from outdoor activities, Dr. Britt enjoys his time catching the latest action movie.
