

Your JAWSOME Smile Begins Here!

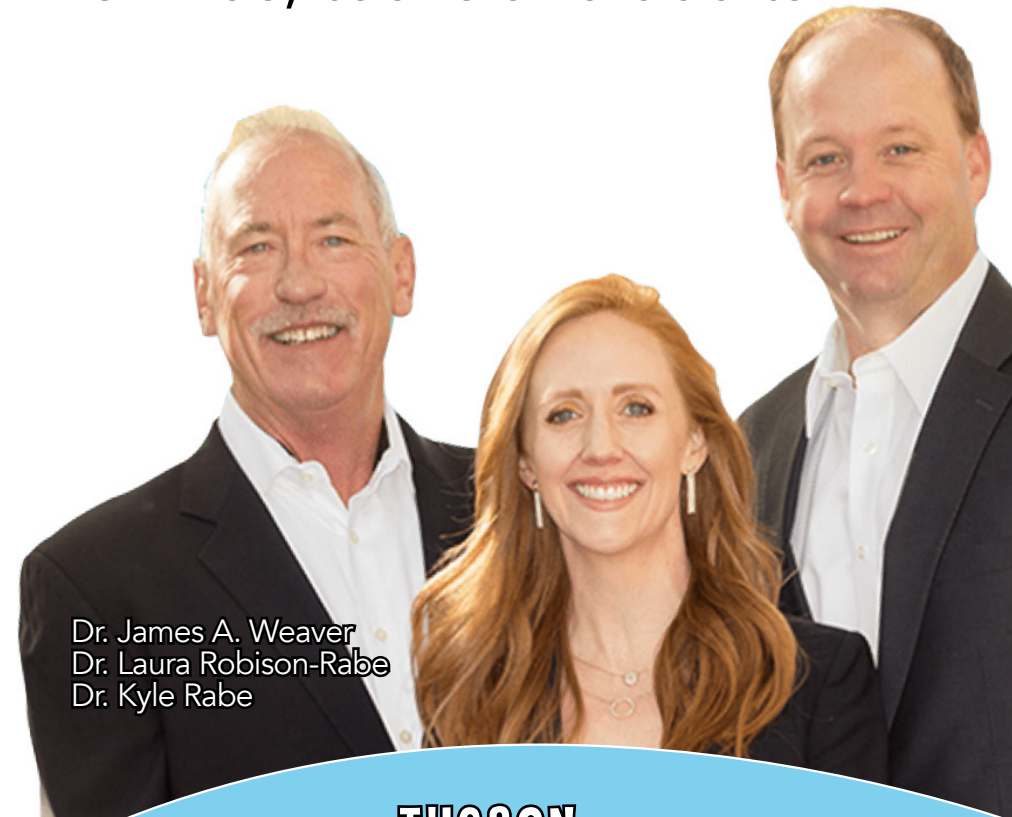

Since 1986, our practice has been known for providing clinical excellence to create healthy, beautiful, confident smiles.

- We offer the best treatment options available, while providing incredible service in a fun and engaging atmosphere.
- Our Board Certified specialists offer decades of combined experience and the best results by integrating superior formal education, shared experience and modern technology.
- Kids and adults alike love coming to their appointments for the exciting games, contests and prizes that make treatment fun.
- We are the preferred provider on most insurance plans and offer a wide range of affordable payment options.
- Convenient offices located in Tucson, Oro Valley and Sahuarita with early and evening appointment to fit your busy schedule.
- Top 1%, Elite Preferred Invisalign® Provider.
- Voted #1 Best Orthodontist— nine years in a row.
- With three specialists overseeing all patient treatments, three opinions are better than one and you get that at Dr. JAW Orthodontists.
