New Undergraduate Student Scholarship – January 2021 Memorandum of Understanding

Congratulations on your decision to continue your educational goals with Grand Canyon University. In keeping with the University's long-standing tradition of providing excellent educational programs, we are excited to offer you the ***New Undergraduate Student Scholarship***. This scholarship is only valid for those applicants who submit a complete application and begin a bachelor's degree or bridge between January 1, 2021 and January 31, 2021.

By committing to start your undergraduate degree or bridge* through our online or evening campus offerings, Grand Canyon University will offer you 25% off the tuition per course for your program. This scholarship will be applied at the same time the tuition charges occur.

While we are pleased to extend this scholarship to you, there are requirements which must be met. In order to remain eligible for this scholarship you must maintain continuous enrollment in your program of study. Continuous enrollment is defined as no breaks greater than 14 days unless an approved leave of absence has been granted by Grand Canyon University. You also must maintain Satisfactory Academic Progress throughout your program as indicated in the University Policy Handbook (UPH) located at <http://www.gcu.edu/Policy-Handbook.php>.

By signing this document, you understand that if you are unable to start your program in January, this offer will no longer be valid, and the scholarship will not be applied.

This scholarship cannot be used in conjunction with any other GCU scholarship. This scholarship will be applied toward your tuition only, and you will not receive funds in excess of your charges.

This MOU must be attached to your application for admission for it to be valid regardless of signatures or any verbal statements made.

By signing this agreement, you acknowledge that all prior scholarship and/or special tuition offers are null and void. The University will honor the Memorandum of Understanding with the most recent issue date.
