

New Rapid COVID-19 Drive By Testing!

Now scheduling rapid antigen tests for TOV employees and their families at the clinic as drive by appointments

About the Rapid Antigen Test

- ❖ Rapid Nasal Swab Test
- ❖ Results in approximately 10 minutes
- ❖ 97% Accuracy Rate
- ❖ Accepted for travel in many states
- ❖ Drive by testing offered onsite at the TOV clinic

When to Rapid Antigen Test

- ❖ 1-2 days after symptoms start
- ❖ 4-5 days after known exposure
- ❖ Prior/following travel

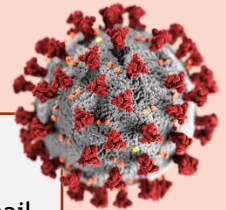

Employees on TOV's medical benefits:

- ❖ \$15 per Rapid COVID-19 Antigen Test (HSA/FSA Cards Accepted and all major debit and credit cards accepted)

All others: Family member on TOV benefits and Any employee and their family member not on TOV's medical benefits:

- ❖ \$30 per Rapid COVID-19 Antigen Test (HSA/FSA Cards Accepted and all major debit and credit cards accepted)

How to schedule a drive by Antigen test?

- ❖ Schedule an appointment on the TOV intranet, call (602) 424-2101, or email an inquiry to covidtesting@hcsonsite.com

How will you receive results?

- ❖ Verbal results given 10 minutes after your test has been completed. You will receive an email with results afterwards.

What if you test positive?

- ❖ A telehealth follow-up appointment with a HCS Nurse Practitioner will be established for care and quarantine for those on the TOV's medical benefits; others will be referred to their healthcare provider.
