WE GIVE BACK TO OUR COMMUNITIES

At Arizona Central Credit Union, we take our commitment to an entirely new level where volunteerism and community engagement continue to be an integral part of our culture. In 2020, an unprecedented year for all, our volunteers stepped up when help was needed most by volunteering a total of 575 hours of service, among 114 volunteers and 113 events! Together, we also raised \$16,329 for Children's Miracle Network Hospitals in order to help fund programs for patients at Phoenix Children's Hospital and Tucson Medical Center. "People Helping People" is truly the philosophy and founding principle of the credit union movement that we are proud to be a part of.
