

## Delta Dental mobile app

Helping members manage their oral health

Oral health is important to Delta Dental—and to overall health! We've designed our mobile app to make it easy for your employees to make the most of their dental benefits. Members can search for a dentist near them, access claims and coverage, ID cards and more, right on their mobile device.

### Getting started

Delta Dental's mobile app is optimized for iOS (Apple) and Android devices. To download our app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. Or, scan the QR code at right. You will need an internet connection in order to download and use most features of our free app.
